

BlackBoard™ HTV

BlackBoard™ is a thin, matte HTV that has the ability to be drawn on with chalk— just like an actual chalkboard.

To clean off the chalk, simply wipe down BlackBoard™ with a damp cloth. You can also run the applied garment through the washer for a completely clean slate.

Note that BlackBoard™ is currently not compatible with chalk crayons or chalk markers as they do not easily wipe off. Customers should stick to using standard classroom or sidewalk chalk.

BlackBoard™ is CPSIA certified.

Thickness: 95 microns

Applies to: 100% Cotton, 100% Polyester,
Poly/Cotton blends

Temperature: 275°F/135°C

Time: 15 seconds
